

# Student Survey

*Simply walk up to a student and ask them if they wouldn't mind being part of a survey. You do not have to stick to the questions on this questionnaire. The purpose of this questionnaire is to start the conversation. After the survey, feel free to continue the conversation.*

"Excuse me, do you have a few minutes to answer a survey for us?"

1. Do you have a religious background? (Do you come from a faith tradition?)
2. Would you say that you have become more or less religious in the last five years?
  - If no, what reasons would you say contributed to that?
  - If yes, do you attend a college ministry, local church, mosque, temple, or synagogue?
    - Which one?
3. What do you think the purpose of religion is?
4. What do you think God wants from us?
5. If you could have coffee with God, what is one question you'd ask Him?
